Hello,

My name is Juan Carlos Rodriguez and I'm a reporter at Law360. I requested the news release regarding the Animas spill on Friday but never received it. I was on the ill-fated conference call and asked Lisa for it, but still didn't get it. Could you please send it now and please include me on any future releases? You might as well just add me to your general media email list.

Thanks,

Juan Carlos.
